A MESSAGE FROM
THE PREMIER OF SASKATCHEWAN

On behalf of the Government of Saskatchewan, I am pleased to welcome everyone to the 2023 Canadian Western Agribition (CWA).

I am proud to acknowledge that Agribition is the best beef show on the continent and the largest livestock show in all of Canada. People of all ages, from all over the world have come through these doors to experience this marketplace showcasing our premium livestock industry. We are pleased to welcome local, national and international guests to CWA and show what Saskatchewan has to offer. From our cattle genetics, agricultural innovations and Indigenous agriculture opportunities to entertainment, education, local food and so much more, this is a world-class event.

The Province of Saskatchewan is a world leader in livestock, feed and forage development, and boasts one of Canada's largest cattle herds. Top cattle genetics, a vast array of exhibitors, and the cutting-edge technology and innovations at CWA help producers remain resilient to rapid-changing markets and climate-related challenges. Most certainly, the continued advancement of the agricultural industry is thanks to CWA and the dedicated producers and exhibitors at this event.

Thank you to CWA's volunteers, organizers, sponsors and exhibitors for making this show a success every year and demonstrating the very best of Saskatchewan and Canadian agriculture.

SCOTT MOE,
PREMIER OF SASKATCHEWAN

A MESSAGE FROM
THE MAYOR OF REGINA

On behalf of my City Council colleagues and the City of Regina, I am pleased to welcome you to the 2023 Canadian Western Agribition.

Regina is proud to be a centre of excellence for agribusiness in Canada. For 52 years, we have had the honour of welcoming attendees from across the province, country, and globe to our city to participate in the best beef show on the continent and the largest livestock show in Canada.

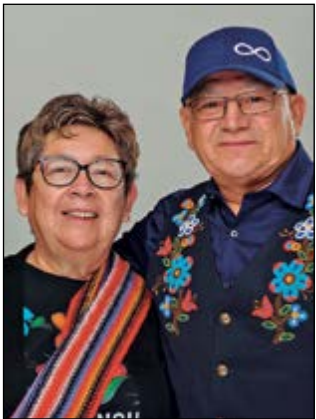

Agriculture serves each of our communities in many ways. This show provides us with the opportunity to come together, share best practices and challenges, and assess how we can further collaborate to advance our agriculture industry and meet the world's growing demands today and in the future.

I want to thank the volunteers, staff, sponsors, and all those who have invested their time and effort into Agribition. Year after year, you continue to raise the bar and produce a memorable and valuable show for all attendees.

For those who have traveled to Regina, I encourage you to explore some of our wonderful attractions. Enjoy the views of Wascana Park, visit the RCMP Heritage Centre on the land where Mounties have trained since 1885, or explore our booming craft brewing scene in our historic Warehouse District. With many unique shops and excellent restaurants, you will surely discover the warm and friendly spirit Regina is known for.

I wish everyone a great 2023 Canadian Western Agribition!

SANDRA MASTERS,
MAYOR OF REGINA

A MESSAGE FROM
MÉTIS NATION SASKATCHEWAN

On behalf of the Métis Nation Saskatchewan government, I am pleased to bring greetings from the Heartland of the Métis and Treaty 6 Territory for Canadian Western Agribition. Welcome!

As you gather together this week, I am reminded of our traditions as Métis people that connect us to the land. From the fur trade to the great bison hunt, harvesting, hunting and farming, our Métis ways continue to provide sustenance for our citizens, families and communities right across the province. Our traditional ways have also contributed to development of Saskatchewan as an agricultural province, and we are proud to share our identity, culture, language and values with you.

We wish you a successful week and many connections.

GLEN MCCALLUM,
PRESIDENT, MÉTIS NATION SASKATCHEWAN

A MESSAGE FROM
AGRICULTURE AND AGRI-FOOD CANADA

Welcome to Canadian Western Agribition! Over the past half-century, Agribition has grown into one of the world's premier agricultural marketplaces, attracting visitors from over 60 countries around the world.

In addition to being a global showcase of livestock genetics, Agribition is also an amazing ambassador for our innovative and sustainable agriculture sector in Saskatchewan and across Canada. The show contributes almost \$100 million to the provincial economy and over 900 jobs, while empowering up-and-coming young producers through the Next Gen Agriculture Mentorship program.

Like Agribition, our government is also helping Canadian producers maximize their opportunities in key markets around the world. The Indo-Pacific region holds significant potential for our agri-food sector, and Canada's first-ever agri-food trade office in Manila will serve as a platform to connect with key government and industry stakeholders across the region. We have restored access for Canadian beef in Japan, Guatemala and Taiwan, and to keep the industry on the competitive edge we are partnering with the Beef Cattle Research Council to invest almost \$22 million over five years in the new Beef and Forage Cluster under the Sustainable Canadian Agricultural Partnership.

Canadian farmers, producers and ranchers are the pride of our country and the envy of the world. This event is an opportunity to show off the great Canadian products and ambition we have to offer. I wish everyone a memorable and productive visit, and here's to another half-century of success for Canadian Western Agribition!

THE HONOURABLE LAWRENCE MACAULAY,
MINISTER OF AGRICULTURE AND AGRI-FOOD

A MESSAGE FROM
THE PRESIDENT OF CANADIAN WESTERN AGRIBITION

On behalf of the Board of Directors, staff and volunteers, I am honoured to welcome you to the 52nd Canadian Western Agribition! Agribition stands apart from other events with its blend of agriculture, western heritage and entertainment.

The shows' reputation as North America's best beef show and Canada's premier agriculture showcase is recognized nationally and internationally. In addition to the best livestock genetics, you will find a world class trade show, the Indigenous Agriculture Summit and four nights of Maple Leaf Circuit Finals Rodeo. As well as rodeo, an exciting new entertainment piece will be added on Tuesday evening — look elsewhere in this guide to find out more.

Our next generation, the youth, compete at Agribition in the Canadian National 4-H Judging Competition, Youth Showmanship and Team Grooming. Don't miss them competing in the open livestock shows as well. The CWA Scholarships will be presented during the show, so watch for the winners and your opportunity to support this important program.

Agribition's focus on showcasing and marketing Canada's finest agricultural products and expertise to the world, along with youth competitions, education seminars and entertainment, has people returning year after year.

Agribition is truly unique and is the result when so many work together and contribute to the organization — the volunteers, staff, exhibitors, sponsors, guests and supporters. Thank you — you are the heart of Agribition!

I look forward to seeing you at Agribition, *The Home of Champions*.

A MESSAGE FROM OUR CEO

A MESSAGE FROM THE CEO OF CANADIAN WESTERN AGRIBITION

Welcome to Agribition 2023!

Carrying the momentum has been a phrase that I have been using constantly and it couldn't be truer as we head into our 52nd show. You never know how you are truly going to bounce back as you begin to return to normal after producing a show during Covid, but you all showed up for us and we cannot wait to show up for you this year as we have a lot of exciting new parts of our show.

We are once again so proud to host you, your family, and your business at Canadian Western Agribition, welcoming back all of our returning international buyers, delegates, and friends. Along with international guests, we are pleased to have CWA's Education Program again this year which will bring in over 10,000 eager students coming to learn where their food comes from.

This year we are going to be kicking off the show with free admission on Monday, November 20 courtesy of our partners at CN, along with our signature Burning of the Brand. This gives our guests an opportunity to walk the show and scope out where everything is for when they return later in the week, while enjoying some live music! Make sure to take this time to also venture back into the barns as Agribition is rich in history and it all starts in the barns!

When we say we are going to show up for you, we mean it! On Tuesday evening, Freestyle Bullfighting will be making its way to the Brandt Centre as we have partnered with the world-renowned Bullfighters Only for the first year ever BFO Canadian Grand Prix, presented by Brandt, as we welcome four members of BFO as well as six Recortadores from Spain to compete in a Bullfighting Event never done before. Please note that this is all freestyle and no harm will be done to the bull.

The four night Maple Leaf Finals Rodeo in partnership with the Canadian Professional Rodeo Association will also be kicking off this year with free admission on Wednesday courtesy of The Mosaic Company, as we pack the Brandt Centre to watch the toughest athletes on the planet go head-to-head for over \$120,000 in prize money in an atmosphere like none other! Wednesday's rodeo will also feature the crowning of the inaugural Miss Rodeo Agribition!

And it doesn't stop there! We will also be announcing the winner of our Ultimate Taylor Swift Giveaway, presented by SaskMilk, at the Thursday night rodeo performance! Stop by and see Saskatchewan's top Swiftie win tickets to the Taylor Swift Eras Tour in Melbourne, Australia!

Returning again this year is the ever-popular Party on the Dirt, presented by Bendz Real Estate Group, so make sure to stop by after Friday's rodeo performance in the rodeo arena to dance the night away! Agribition will draw to a close on Saturday, November 25 with a jam-packed day of events including the signature Agribition Beef Supreme, presented by CN and the final night of the Maple Leaf Finals Rodeo where we crown our champions, and the second night of Party on the Dirt!

On behalf of our entire team, welcome to Canadian Western Agribition, and welcome to Regina. Now hold on and enjoy this week as our team has been hard at work this entire year with our guests and stakeholders front of mind. Whether this is your 52nd Agribition or your first, it's finally here and we are ready to welcome you to the grounds! Now have some fun and thank you for your generous support, and thank you for sharing this week with us!

SHAUN KINDOPP,
CHIEF EXECUTIVE OFFICER, CANADIAN WESTERN AGRIBITION

PRESENTED BY RITCHIE BROS.

The Winners Circle Horse Pull Sponsor Auction has been a long running event at Canadian Western Agribition, giving people a chance to put their names on the powerful teams of the Canadian Horse Pull Finals happening the following day in the Brandt Centre Arena.

The Canadian Horse Pull Finals, held throughout the day on November 21st, is a display of brute strength that is hard to imagine until you see it with your own eyes. These majestic horses and their teamsters put on a show like no other. The competition requires true grit as each team attempts to pull the heaviest sled across a 14-foot space. The weight of the sled is increased for each pull until there is one team left standing.

NEW this year is the Mini Chuckwagon Tarp Auction. You read that right! There will be four mini chuckwagon teams participating in each night of the Maple Leaf Finals Rodeo as a contract act. This new and fun event will bring mini horsepower to a whole new level. During the Winners Circle Horse Pull Sponsor Auction, people have the chance to purchase a Mini Chuckwagon Tarp for advertising during the four nights of rodeo. There are teams available for purchase.

STARS ONLINE CHARITY AUCTION

Canadian Western Agribition is proud to have STARS as their official charity of choice and is grateful to have Ritchie Bros partner with Agribition to present the STARS Online Charity Auction. The STARS Online Charity Auction will be hosted on the Ritchie Bros. online platform and will open for bidding on Saturday, November 18, 2023. The online auction will be open all week long and will close Saturday, November 25, 2023. The auction will also be on display throughout the grounds on the event TVs the entire week.

The beneficiary of the proceeds for the auction is STARS Air Ambulance. STARS is a non-profit,

charitable organization that provides specialized emergency medical care and transportation for critically ill and injured patients. Simply put, STARS fights for life.

The sight of a red helicopter is a beacon for hope for those in their moments of need. Since establishing operations in Saskatchewan in 2012, STARS has flown more than 5,000 missions to over 500 communities across Saskatchewan from its bases in Regina and Saskatoon.

About 50 percent of the funds required to operate the service in Saskatchewan come from fundraisers and corporate, community, and individual

donors – that's \$10.5 million the charity needs to raise annually!

When you support STARS, you ride along with us on every mission. You put the most advanced tools in our hands. You help ensure our crew receives the top training. Only together can we ensure that each person who needs emergency medical care receives it. Together, we are all STARS.

NEXT GEN AGRICULTURE MENTORSHIP PROGRAM

For a fifth year, CWA is honored to deliver one of the most comprehensive agriculture mentorship programs in Canada. Since 2019, CWA is proud to have guided four cohorts of mentees and mentors through the Next Gen Agriculture Mentorship Program. The program is delivered in partnership with the Saskatchewan Ministry of Agriculture and the Government of Canada through the Sustainable Canadian Agricultural Partnership (S-CAP) and supported by a CWA partnership with Conexus Credit Union. The Next Gen program is an 18-month mentorship experience where eight mentees are strategically paired with eight mentors to better understand the issues facing agriculture, business, financial literacy, ag advocacy, consumer trends, public trust, building board governance knowledge, communication, leadership, and networking skills along the way. The Next Gen program's fifth cohort started October 1st and will continue through until March 2025. If you are interested in becoming part of the Next Gen Agriculture Mentorship Program, call the CWA office, email mentorship@agribition.com or go to www.agribition.com for more details!

"The Next Gen Mentorship Program provides countless opportunities to attend both industry and networking events, participate in leadership development training and numerous other learning experiences. What makes this program so successful is that you can tailor it to your interests and goals. I was paired with an amazing mentor and gained many new perspectives, all while learning new things in my areas of interest. Not only are the experiences and knowledge gained from this program irreplaceable, but I have also made long-term meaningful connections within the agriculture industry."

— Kristin Thompson, 2022-2023 Mentee

"This program is an excellent opportunity to pair those in the industry who are seeking professional development and those who want to give back to the next generation of leaders. Building your internal network and learning more about different aspects of agriculture truly makes this a positive and beneficial program."

— Clinton Monchuk, 2022-2023 Mentor

"Next Gen broadened my understanding of the agriculture industry so that I can communicate to my local community how global challenges affect them."

— David McTaggart, 2022-2023 Mentee

"I am very grateful for the opportunities the program has given me, especially meeting so many people and developing some amazing life - long friendships!"

LEARNING IS FUN AT AGRIBITION

Agribition offers an extensive Education program including the Family Ag Pavilion, milking demonstrations, and the thinkAG Career and Education Expo, as a means to educate others on agricultural practices and the food they eat.

Family Ag Pavilion
The Family Ag Pavilion, presented by the Saskatchewan Ministry of Agriculture, offers a variety of interactive displays and activities encompassing many aspects of the agriculture industry.

There are 13 interactive stations designed to teach youth about agriculture. A recent addition to the Family Ag Pavilion is "Agnes", a full size and anatomically accurate cattle birthing simulator. In partnership with the Western College of Veterinary Medicine and the Ministry of Agriculture, CWA is excited to offer this state-of-the-art educational tool, to offer students a hands-on interactive opportunity. Round out your visit to the Family Ag Pavilion by seeing your favourite animals and learning all about where your food comes from!

The Family Ag Pavilion is located in the Arena 1 Building and open Monday to Saturday 10:00 AM to 6:00 PM.

SCHOLARSHIP FUND

CWA SCHOLARSHIP FUND

Established in 1994, The Canadian Western Agribition Scholarship Fund (CWASF) program is intended to provide financial support and incentive to up and coming youth in order to pursue post-secondary and graduate education. The funding for the scholarship program is derived from a variety of CWA activities, as well as from recognized outside contributions.

About CWA Scholarships

Successful applicants for the CWA Scholarship must be passionate about agriculture and have participated in Canadian Western Agribition. Participation in CWA includes, but is not limited to, all livestock classes, 4-H classes, and active trade exhibit participation. To date, 190 CWA Scholarships have been paid out, totaling \$222,000. In addition, the Barry Andrew Family Award pro-

gram and the William M Farley Memorial Award are intended to provide financial support and incentive to a student registered in an Agriculture program in order to pursue post-secondary and graduate education. The funding for the Barry Andrew Family award program was bequeathed by the late Barry Andrew. The funding for the William M Farley Memorial Award program was donated by Lillie R Farley in memory of her husband. To date, eleven Barry Andrew awards totaling \$16,500 and nine William M Farley awards totaling \$15,000 have been distributed. Earlier this year CWA had a very successful first ever golf tournament, which consisted of sponsors, exhibitors, and friends of the show to name a few! Since then, the scholarship fund received a donation from CWA.

Each year, CWA opens scholarship applications in June, with the successful applicants celebrated at the show in the fall.

The 2022 recipient of the CWA Scholarship was awarded to Mason Beck and Jackson Goudy.

The 2022 recipient of the Barry Andrew Family Award was awarded to Justin Harcourt.

The 2022 recipient of the William M Farley Memorial Award was awarded to Keely Adams.
