WELCOME TO CANADIAN WESTERN AGRIBITION

A MESSAGE FROM

AGRICULTURE AND AGRI-FOOD CANADA

Welcome to the 2024 Canadian Western Agribition! You have an exciting week ahead of you again this year, full of discussions, networking, and innovation – not to mention, a world-class showcase of Canadian livestock genetics and some action-packed entertainment.

Agribition is truly ‘where the world meets,’ attracting visitors from nearly 70 countries, engaging with our dynamic and inspiring agricultural sector, spending the week doing business and learning at this remarkable event – and I have no doubt, making time for a bit of fun, too.

Agribition has been a proud Prairie tradition for over 50 years, and has placed a strong focus on the future of agriculture in Saskatchewan and Canada by working with youth and helping them grow their passion for the sector. The Next-Gen Mentorship program, supported by both the Governments of Canada and Saskatchewan through the Sustainable Canadian Agricultural Partnership, is helping to foster leadership skills among Saskatchewan’s dynamic young farmers and ranchers.

I’m proud that our Government is also supporting the Family Ag Pavilion, as well as the Indigenous Ag Summit, helping Indigenous peoples drive economic development and community building, and creating opportunities for families to make life-long memories.

Thanks to everyone at Agribition for keeping Canada a global leader in agriculture. Here’s to another great show!

Sincerely,

**THE HONOURABLE LAWRENCE MACAULAY,
MINISTER OF AGRICULTURE AND AGRI-FOOD**

A MESSAGE FROM

THE PREMIER OF SASKATCHEWAN

On behalf of the Government of Saskatchewan, it is my pleasure to welcome you to the City of Regina for Canadian Western Agribition—the biggest livestock event in Canada and the best beef show in North America.

Canadian Western Agribition has proudly showcased the best in our livestock industry for more than 50 years to local, national and international guests. This world class event is an opportunity for people from all over the world to see and experience first-hand what Saskatchewan has to offer in the fields of cattle genetics and agricultural innovations, in addition to agricultural business and networking opportunities, education, entertainment, local food, and so much more.

Saskatchewan has established itself among the world’s leaders in livestock, feed and forage development. We are home to Canada’s second largest cattle herd, along with technology and innovations that keep our dynamic agriculture sector competitive and thriving. When the world looks for what is new or next in agriculture, they are looking at Saskatchewan and at Agribition.

I would like to thank the numerous volunteers, organizers and sponsors who contribute year-round to make Canadian Western Agribition the top-tier event that it is.

The very best of the agriculture industry and our province is here for you to experience; best wishes for a memorable week at Agribition and a pleasant stay in Regina.

PREMIER OF SASKATCHEWAN

WELCOME TO CANADIAN WESTERN AGRIBITION

A MESSAGE FROM THE MAYOR OF REGINA

On behalf of my City Council colleagues and the City of Regina, I am pleased to welcome you to the 2024 Canadian Western Agribition.

Each year, we are honoured to host participants from across the province, the country, and the globe for this renowned event. Agribition has earned its reputation as the premier beef show in North America and the largest livestock show in Canada. It is an incredible opportunity to showcase the heart of our agriculture industry.

As a centre of excellence for agribusiness, Regina provides the perfect setting for Agribition, where we come together to exchange ideas, address challenges, and share best practices. This collaboration ensures we can continue to meet the world's growing demands, both today and for future generations.

This event would not be possible without the dedication of the volunteers, staff, sponsors, and partners who have invested their time and effort into bringing Agribition to life. Your unwavering commitment is what makes this show such a remarkable experience for all who attend.

I wish everyone a memorable and successful 2024 Canadian Western Agribition!

Sincerely,

**SANDRA MASTERS,
MAYOR OF REGINA**

A MESSAGE FROM MÉTIS NATION SASKATCHEWAN

On behalf of the Métis Nation–Saskatchewan (MN–S) government, I am pleased to bring greetings from the Heartland of the Métis and Treaty 4 Territory to the Canadian Western Agribition.

Métis people have always held a deep respect for the land and all its offerings including sustainability and economic prosperity. Our pursuit of self-government will ensure our Métis ways of protecting the environment are adapted to suit each region of the province – north, central, and south.

With Parks Canada as a partner, this past year, MN-S welcomed bison home to once again roam the lands at Batoche. The highly regarded animal was a stable source of everything from tools to clothing to sustenance for Métis people and our hope is that we will develop the facilities to once again provide economic security for our citizens.

Our traditional and modern connection to the land has also contributed to the development of our province and, through our knowledge keepers, we are proud to share in our identity, culture, values, and language as they pertain to our surroundings.

Maarsii and enjoy Agribition!

**GLEN MCCALLUM,
PRESIDENT, MÉTIS NATION SASKATCHEWAN**

A MESSAGE FROM THE PRESIDENT OF CANADIAN WESTERN AGRIBITION

On behalf of the Board of Directors, staff, and volunteers, I am excited to welcome you to the 53rd Canadian Western Agribition. A unique blend of agriculture, western heritage, and entertainment is what sets Agribition apart from other events across Canada.

Agribition is known around the world for being the place where the best beef cattle in the world compete for the title of 'Agribition Beef Supreme presented by CN'. Agribition is more than just a beef cattle show. It is a premiere agriculture event that features youth competitions, a world class tradeshow, a grain expo conference, an Indigenous Ag Summit, and Canadian Animal Ag Tech Awards. It is also home to the Maple Leaf Circuit Finals Rodeo. There is live entertainment throughout the week and lots to see and do for people of all ages and interests.

Agriculture is at the heart of what we do, and we are proud to welcome over 6,000 students from Regina and surrounding areas. They enjoy hands-on learning about modern agriculture practices, where our food comes from, and how it is produced. They even have the opportunity to learn some history of the way of life in Saskatchewan in the early 1900s.

I look forward to seeing you at Agribition!

Warm Regards,

A MESSAGE FROM OUR CEO

A MESSAGE FROM THE CEO OF CANADIAN WESTERN AGRIBITION

Welcome to the 53rd annual edition of Canadian Western Agribition! This is one of my favourite articles to write, as it means it's showtime! We're thrilled to have you join us for this incredible celebration of agriculture, innovation, and community right here in the heart of the prairies. Get ready to immerse yourself in a vibrant showcase of livestock, entertainment, and the rich traditions that define our rural heritage.

Thanks to our generous partners at CN, the show will once again open Monday, November 25th at 10 am with free gate admission and our signature burning of the brand. Be one of the first to walk the sold-out tradeshow with over 400 exhibitors, including 100 new exhibits. After receiving incredible feedback and being kept on the edge of our seats last year, the freestyle bullfighting presented by Brandt will only return to the Brandt Centre on Tuesday evening! Make sure to get your tickets to this electrifying display of athleticism.

As we touch on athleticism, we are excited to have the Maple Leaf Circuit Finals Rodeo kick off on Wednesday evening with the ever-popular free admission, along with the announcement of a new partnership with BHP as the presenting partner of the rodeo, as they look to expand their partnerships in Saskatchewan. Fans will also be treated to new entertainment as we welcome world-renowned Matt Merritt to the rodeo arena as our new entertainer for the duration of the rodeo.

As the week comes to a close on November 30th, we make sure to end the week right, we crown champions at the famous Agribition Beef Supreme presented by CN, celebrating its 25th Anniversary, along with Championship Saturday at the Maple Leaf Circuit Finals Rodeo presented by BHP.

Last year, we talked about how you never truly know how you will bounce back from a pandemic, but have seen substantial growth in consecutive years, with this past Agribition seeing a 19% pre-pandemic attendance growth to nearly 143,000 attendees. On behalf of everyone at Canadian Western Agribition, I want to say thank you for the support all these years, especially post pandemic. We take a lot of pride in being able to put this show on for everyone, and we cannot wait to welcome you all to the 53rd annual Agribition. Whether it's your 53rd or your first, we've been waiting all year for this and it's time to have some fun!

**SHAUN KINDOPP,
CHIEF EXECUTIVE OFFICER, CANADIAN WESTERN AGRIBITION**

NOTABLE EVENTS AT AGRIBITION

Agribition Open Cattle Dog Championships

New for 2024, Agribition is excited to showcase a crowd favourite, the Agribition Open Cattle Dog Championships. Taking place on Wednesday in the Brandt Centre, make sure to check out these intelligent dogs and their handlers. This event features a class with the handlers on horseback, utilizing their dog to maneuver cattle through a pattern in the arena.

The Agribition Open Cattle Dog Championships will take place on Wednesday, November 27th in the Brandt Centre.

Ranch Rodeo presented by Moose Jaw Co-op

There may not be Bull Riding in this rodeo, but it is sure to be packed with high quality western entertainment. The Agribition Ranch Rodeo is one of the most popular events in the Brandt Centre that we've made it a two-day event! In this event you'll witness cowboys and cowgirls competing against each other in events based on everyday tasks around the ranch.

The Agribition Ranch Rodeo will take place on Friday, November 29th and Saturday, November 30th in the Brandt Centre

Spring Fling Junior Show

In June of 2024 Agribition hosted the inaugural Spring Fling Junior Show in the John Deere Sale Arena. CWA welcomed 72 juniors and 98 head of steers and heifers to Regina for a junior show. The inaugural Spring Fling Junior Show opened many new partnership opportunities for CWA and was proudly supported by the industry. Due to the level of support, \$12,000 in cash, prizes, buckles, and banners were awarded to very deserving juniors at the event. The inaugural Spring Fling Junior Show was a great success for its inaugural show; it would not have been possible without the support of our volunteers and partners. Thank you to everyone who shared their love for CWA and junior livestock events. Agribition is excited to begin planning the 2025 Agribition Spring Fling Junior Show.

Junior Steer Jackpot

2024 is the year of new junior events! Agribition is excited to host a Junior Steer Jackpot showcasing prospect steer calves. This event gives junior exhibitors a chance to bring their steer calves to the city and will be awarding cash prizes to the winners. The Junior Steer Jackpot will take place in the John Deere Sale Arena on Friday November 29th @ 2:00 pm.

The Canadian Grand Prix Freestyle Bullfighting presented by Brandt

Get ready for an electrifying evening! Freestyle Bullfighting is the ultimate showdown, pitting man against the fierce Spanish fighting bulls, as the top contenders in the sport vie for precious points in the final event of the BFO regular season.

Adding to the excitement, you'll also witness an authentic Spanish "Concurso de Recortadores." Prepare to be awestruck as elite European athletes go head-to-head in a heart-stopping display of acrobatics, all competing for the prestigious title of champion.

The Canadian Grand Prix Freestyle Bullfighting will be held Tuesday November 26 at 7:00pm at the Brandt Centre.

Mini Chuckwagon Tarp Auction

CWA and Hawreluik Racing are excited to bring Mini Chuckwagon racing back to CWA and once again hold a Mini Chuckwagon Tarp Auction! The mini chuckwagon tarp auction will take place during the Winner's Circle Auction Monday

night in the GMC Arena. Alternating with the Horse Pull team auction, the tarp auction will be auctioning off four teams! The highest bidders will have their company's name or logo printed on the tarps for the duration of the race taking place during intermission of the Maple Leaf Finals Rodeo over 4 nights of sold-out rodeo action.

WINNERS CIRCLE HORSE PULL SPONSOR AUCTION

PRESENTED BY RITCHIE BROS.

rb RITCHIE BROS.

The Winners Circle Horse Pull Sponsor Auction has been a long running event at Canadian Western Agribition, giving people a chance to put their names on the powerful teams of the Canadian Horse Pull Finals that will happen the following day in the Brandt Centre Arena. By purchasing a team during the Winners Circle Horse Pull Sponsor Auction, your company or organization name, will be printed and hung on your Team as they compete.

The Canadian Horse Pull Finals, held throughout the day on November 26th, is a display of brute strength that is hard to imagine until you see it with your own eyes. These majestic horses and their teamsters put on a show like no other. The competition requires true grit as each team attempts to pull the heaviest sled across a 14-foot space. The weight of the sled is increased for each

pull until there is only one team left standing. Returning this year is the Mini Chuckwagon tarp auction. You read that right! There will be four mini chuck wagon teams participating on each night of the Maple Leaf Finals Rodeo as a contract act. This fun event will bring mini horse power to a whole new level. During the Winners Circle Horse Pull Sponsor Auction, people have the chance to purchase a Mini Chuck Tarp for advertising during the four nights of rodeo. There are four team tarps available for purchase. Each purchase will have your company's name visible for the 4 nights of rodeo!

NEXT GEN AGRICULTURE MENTORSHIP PROGRAM

For a fifth year, CWA is honored to deliver one of the most comprehensive agriculture mentorship programs in Canada. Since 2019, CWA is proud to have guided five cohorts of mentees and mentors through the Next Gen Agriculture Mentorship Program. The program is delivered in partnership with the Saskatchewan Ministry of Agriculture and the Government of Canada through the Sustainable Canadian Agricultural Partnership (S-CAP). This 18-month mentorship program is designed to connect aspiring agricultural professionals with experienced mentors in the field. This program typically aims to:

- 1. Foster Skill Development:** Participants gain practical skills and knowledge from industry veterans.
- 2. Encourage Networking:** Mentees can build valuable connections within the agricultural community.
- 3. Support Innovation:** By collaborating with mentors, participants can explore innovative practices and technologies in agriculture.
- 4. Personal Growth:** The program often emphasizes personal and professional development, helping mentees navigate their careers.

"The Next Gen Agriculture Mentorship Program is an important tool in developing the next generation of leaders," said Agriculture Minister David Marit. "Funding a program that facilitates the transfer of essential skills and industry knowledge from experienced mentors to young individuals, ensures a smooth transition of leadership roles that benefits the industry."

Next Gen's cohort 5 have been actively participating in conferences and training programs since November 2023. Events such as, Saskatchewan Beef Industry Conference, Canadian Beef Industry Conference, Crop Diagnostics School, Ranching for Profit, Cultivating Trust Conference, Media Training with AgriBiz, Governance & Board Training with Trent Fraser, Saskatchewan Soil Health and Grazing, have been keeping our mentees busy. The Next Gen program's sixth cohort started on November 1st, 2024, and will continue through until March 2026.

"Canadian Western Agribition is proud to partner with the Government of Canada and the Government of Saskatchewan to continue its support in building a successful future for the next generation of industry professionals. Having the opportunity to provide a valuable 18-month mentorship experience that is like no other reflects our commitment in ensuring our industry is continually evolving and we are excited to see what this year's cohort brings forth," said Canadian Western Agribition CEO, Shaun Kindopp.

LEARNING IS FUN AT AGRIBITION

Playful Teaching at Agribition

For over 50 years, CWA has continued to provide extensive Education programming to urban and rural children with the Family Ag Pavilion, Education exhibitors, and the thinkAG Career and Education Expo, to education on agricultural practices and the food they eat.

The Family Ag Pavilion, presented by the Saskatchewan Ministry of Agriculture, offers a variety of interactive displays and activities encompassing many aspects of the agriculture industry. There are 15 interactive stations designed to teach youth about agriculture. Visit the Family Ag Pavilion to see some of your favourite farm animals and learn about where your food comes from!

The Family Ag Pavilion is located in Arena 1, of the Co-operators Centre and open Monday – Saturday, 10 AM – 6 PM.

MISS RODEO AGRIBITION

In 2023 CWA launched the Miss Rodeo Agribition program crowning a year-round ambassador for Agribition and the Maple Leaf Finals Rodeo. A competition was held during the 2023 show where the contestants competed in public speaking, personal interviews, horsemanship, fashion and a written exam component. After the intense 2-day competition Ari Dyck from White City, Sask. was crowned as our 2023/24 Miss Rodeo Agribition. Ari has taken on a role of responsibility and professionalism as she has represented CWA at countless community events, engagements and rodeos throughout the year. Excelling in her role as Miss Rodeo Agribition, Ari has recently gone on to compete in the Miss Rodeo Canada competition and did an incredible job of representing CWA and the western way of life. Congratulations to Ari on a very successful year as Miss Rodeo Agribition! CWA is excited to see who will be crowned Miss Rodeo Agribition 2025!

"Seek new opportunities for personal and professional growth! When I look back at the past year I have grown immensely as a person, but my goal from day one has always been to inspire others! This experience is a once in a lifetime opportunity that not only is a smile everyday but sets your future!"

— Ari Dyck

INDIGENOUS AGRICULTURE SUMMIT

PRESENTED BY

The Indigenous Agriculture Summit (IAS), presented by FCC, returns for the 11th year taking place on November 26 & 27. The conference is held in the Queensbury Convention Centre. The theme for this year's summit is Nourishing Nations and Empowering Generations. This two-day conference is filled with shared emerging opportunities in the agriculture field, success stories, leadership, best practices and networking.

We are pleased to welcome Carol Anne Hilton, an Indigenous business leader, and author is the CEO and founder of the Indigenomics Institute and the Global Centre of Indigenomics, as this year's keynote speaker, speaking to The Rise of Indigenous Economic Strength. Along with many other speakers throughout the conference, this is an event you will not want to miss.

The conference is a must-attend event for leaders, economic development officers, entrepreneurs, partners, students and anyone invested in the

success. Come join us to hear the latest in emerging opportunities, and to help build economic strength and food sovereignty.

About Carol Anne Hilton

Carol Ann is an expert in the community, business development and economic design. Indigenomics is an emerging field that aims to create an economic design framework that is grounded in values, knowledge and best practices of Indigenous peoples. The framework seeks to create an economic system that is inclusive, sustainable, and respectful of Indigenous peoples' rights and cultures. The goal of Indigenomics is to create a new economic paradigm that is based on principles of self-determination, sovereignty and interdependence.

CANADIAN ANIMAL AGTECH AWARDS PRESENTED BY DELOITTE

As Canadian Western Agribition continues establishing itself as a leader in the agricultural industry, innovation remains a cornerstone of its evolution. The inaugural Canadian Animal AgTech Awards, presented by Deloitte, exemplified this commitment to progress, drawing participation from organizations in the UK and Australia.

The awards featured three competitive categories: Business of the Year, Most Innovative, and Rising Star, designed to spotlight organizations in the early stages of development. Competing organizations were permitted to submit applications for two of the three categories, fostering a spirit of innovation among emerging players in the agtech sector.

Pitches took place at the Bud Light Loading Chute during Agribition in November 2023. A distinguished panel of judges evaluated each organization based on specific criteria, culminating in the announcement of winners the following day in the International Business Centre. The 2023 winners were OneCup Ai (Business of the Year), Smart Paddock (Most Innovative), and FarmSimple (Rising Star).

Looking ahead, the Canadian Animal AgTech Awards will return in 2024, reaffirming its significance within Canadian Western Agribition. This year, each winner will receive a prestigious buckle along with a cash prize of \$5,000. Public pitches are scheduled for Tuesday, November 26, at 1 PM at the Bud Light Loading Chute in the AgEx, with winners to be announced and honoured on Wednesday, November 27, in the International Business Centre.

This event not only celebrates innovation but also underscores the growing importance of collaboration within the global agricultural technology landscape. Join us in recognizing the trailblazers who are shaping the future of animal agriculture.

CWA SCHOLARSHIP FUND

Successful applicants for the CWA Scholarship must be passionate about agriculture and have participated in Canadian Western Agribition. Participation in CWA includes, but is not limited to, all livestock classes, 4-H classes, and active trade exhibitor participation. To date, 192 CWA Scholarships have been paid out, totalling \$227,000.

In addition, the Barry Andrew Family Award program and the William M Farley Memorial Award are intended to provide financial support and incentive to a student registered in an Agriculture program to pursue post-secondary and gradu-

ate education. The funding for the Barry Andrew Family award program was bequeathed by the late Barry Andrew. The funding for the William M Farley Memorial Award Program was donated by Lillie R Farley in memory of her husband.

To date, twelve Barry Andrew awards, totalling \$18,000, and ten William M Farley awards totalling \$16,500 have been distributed.

Each year, Scholarship applications open in June, with successful applicants celebrated at the show in the fall.

The 2023 recipient of the CWA Scholarship was awarded to Adrian Byman and Matthew Charlton.

The 2023 recipient of the Barry Andrew Family Award was awarded to Kylie Berner.

The 2023 recipient of the William M Farley Memorial Award was awarded to Julie Sharp.
